

Outline for Modular Training

Equipping the Church and Community

One or two-day overview of addictions and the church's response

Module A

An introduction to drugs and addictive behaviour

Module B

Working with people who have addictive behaviour problems

Module C

Relapse and denial

Module D

Co-dependency - the most underestimated addiction

Module E

Alcoholism and the twelve step groups.

Module F

Illegal and prescription drugs dependency and detoxification

Module G

Eating disorders (including an introduction to self harm)

Module H

Adrenalin-based addictions (including pornography)

The modules are mapped to relevant **DANOS** * competencies, in line with the National Treatment Agency requirements.

Modules can be delivered either as stand alone training or within a specific training and development plan, dependant on your church or organisation's needs and requirements

We are also able to offer a training needs analysis and project development consultancy service

***DANOS** - Drugs and Alcohol National Occupational Standards
